Week 2

15 to 21 July

Time Capsule Memory Box Challenge

Collect a record of your week in whatever format you like, provided it fits into a sandwich box. The winning entry will be buried in a time capsule in the Curly to be dug up in another 100 years, so don't put anything in that you're not prepared to see buried in the Curly!

Some rules:

- Sandwich boxes should not be larger than 21cm x 14cm x 7cm. (We can supply a box, if you would prefer to give us a bag of your goodies to go in the box)
- Only put in items that will last for 100 years (No SANDWICHES please!)
- Include the name, date of birth, and address of all of your team.

If you are looking for ideas of what to include, think about what you'd like to have received from a young person from 1924. Here are some ideas to start you off:

- What did you eat each day?
- What activities did you take part in?
- Where did you travel to and why?
- What did your home look like inside?
- What was the high point of the week and what worried you this week?
- What do you hope that will be different in 2124?

Add your Team name here, and an address where you can be reached (Your team's name will be published on the Gannochy Trust website, but not your address):
